

# **Safe Child Policy**

**We want your kids to see your commitment to health so we welcome them to hang out in the kids' room or at the homework table. Safety is our highest priority, so please familiarize yourself (and your kids) with these guidelines!**

- 1. Children should stay inside the orange line during classes. Please refrain from going to the water fountain during class. Feel free to bring snacks and drinks with you.**
- 2. Use the bathroom located inside the orange lines (there's a changing table in there, too!).**
- 3. Children should not play on the equipment.**
- 4. No sick kids--if there's been pink eye, diarrhea, fever, etc. in the last 24 hours, stay home and rest!**
- 5. Don't let your kids lean on the half-door. There are stools and a big window if children want to watch you during a workout.**
- 6. Clean up when you're done!**
